Notes:

- Enrollment data sourced from the Official Student Census.
- This enrollment level graduation tracking matches students using the expected start date assigned to their enrollment.
- Students are counted as graduated only if they have graduated from a program with the same expected start date as the program they were enrolled in during the term they entered the cohort.
- The programs provided in the slicers represent the program the student was enrolled in when they entered the tracking cohort.
- Terms labeled 'A' include the ground and session 1 terms. Terms labeled 'B' include session 2.
- Due to the timing of this reporting data tracks through Fall 2017 A.
- Graduation data has been sourced from the CampusVue Master Student Listing Report effective 09/2017.
- Students who received a Bachelor Waiver are counted as graduated in these rates.
- Graduates were identified using the Cvue's Master Student Listing report pulled September 2017.
- Time to completion is calculated as the difference between the Graduation Date and Expected Start Date on a given enrollment and is represented in years.
- Produced by the Office of Institutional Research - September 2017
