Notes:
 Enrollment data sourced from the Official Student Census.
 This enrollment level retention tracking matches students using the expected start date assigned to their enrollment.
 Students are counted as retained only if they are enrolled or have graduated from a program with the same expected start date as the program they were enrolled in during the term they entered the cohort.
 The programs provided in the slicers represent the program the student was enrolled in when they entered the tracking cohort.
 One-year Fall to Fall retention figures are highlighted in orange for ease of identification.
 Terms labeled 'A' include the ground and session 1 terms. Terms labeled 'B' include session 2.
 Each column represents a semester and includes all terms (Ground, Session 1, and Session 2) within that semester. Due to the timing of this reporting data for Fall 2017 only tracks through Fall 2017 A.
 Graduation data has been sourced from the CampusVue Master Student Listing Report effective 09/2017.
